Subject: Sound Level Variance Request, ROK Eatery
Date: Monday, May 8, 2023 10:40:29 AM

To whom it may concern,

I am a resident of Schmidt's Artist Brewery Lofts, 900 7th Street, St. Paul, MN 55102, and I have just received a notification that the ROK eatery is requesting a sound level variance for the months of June through late September. It is all right that they may ask for several days to vary the sound but not every Sunday from 12 PM through 6 PM. I was told that I could submit this in writing by email and I will also leave a voice message. Again please do not allow them to play loud music every Sunday thank you.
