Good morning,

Per your conversation during the May 21, Legislative Hearing, I've attached a Change of Responsible Party form to return to Department of Safety & Inspections. I would make sure to note all 4 addresses (or submit one for each noted address) to make sure that gets changed for each one in the system. It should be returned directly to your Fire Inspector.

Currently the recommendation is at the Council Public Hearing on July 10th to continue to Council Public Hearing to October 9, 2024 and if no same or similar violations reduce assessment from \$278 to \$139, otherwise approve in full. If you wish to contest this recommendation instructions on how to do so were on the back of the notification informing you of the Legislative Hearing.

Please let me know if you have any questions,
Joanna
