Below is the response I received from our cash applications department after I had sent them a copy of the MO to research

Hi, I was unable to locate this payment. Please provide a copy of the cashed check front and back to see what bank it was cashed at so I can further research. I will resolve this ticket and open it back up within 10 days unless you have any more information. Thank you...!

As I had stated below - there is no bank stamp on the MO so it is impossible to know if it was ever cashed.

She will have to go back to the location where she purchased that MO and see if she can get a better copy – as it states “front & back”.

So in the eyes of WM we have never been paid for the service provided.

Thanks

I'll see if someone can track it down - but there isn't a lot to go on

There is no WM Bank stamp on it

So was that MO sent to the City of St Paul for payment or are they stating that the MO was sent to WM?

Thanks

I thought I attached it, but it looks like it didn't go through. Let me know if it doesn't work. I have attached it below.

I need to see a copy of that Money Order since we have no payment applied to her 1st Qtr Billing.

I can't adjust anything without it
