Good morning,

I am contesting the proposed \$215 assessment. The notice I received specified **removal of overhanging growth in the alleyway and alley entrance**. I received the notice on Friday August 23 and had until Tuesday, August 27 to complete the task. I completely cut down all of the growth on my property adjacent to the alley and transported the material to the yard waste site by Monday August 26. There wasn't any growth left for a crew to clean up. Why am I getting this assessment?
