

New Language for Drainage

SPLC 45.03. – **NUISANCE/ DRAINAGE:** Please re-direct your drainage away from the public sidewalk/street. Your current direction is causing a nuisance, and you are not authorized to have discharge to any street, sidewalk, alley, or right-of-way. This interferes or renders dangerous for passage on the public sidewalk, street, or alley. You may contact Public Works at 651-266-6151 for an encroachment permit if needed.
