To Whom It May Concern,
I am writing to you today ~~about~~
to request that we not be
charged the \$9980.00
assessment for our updated
sewer connection.

When we chose to get our sewer
fixed, it was an emergency
situation. We did not have time
to get other bids from other
companies. We were assured by
Bonfe that the cost could be
added to our monthly mortgage
payment as they see this
happen a lot. We did not have
\$10K at the time and we do
not have \$10K now. We were also
not made aware of the 5.95%
interest that would be added.
We are asking that you approve
the full cost and not invoice us
further.
(see back)

Thank you for your time and
consideration of this matter as
billing us the full amount will
cause us great financial hard-
ship and stress.

Best,
