

State of Minnesota Joint Powers Agreement Amendment 1

SWIFT Contract Number: 218794

This Amendment is by and between the **State of Minnesota**, acting through its Commissioner of Public Safety on behalf of the State Fire Marshal division ("SFM" or "State"), and the **City of Saint Paul**, acting on behalf of the Saint Paul Fire Department, 645 Randolph Avenue, Saint Paul, MN 55102 ("Governmental Unit"). The State and Governmental Unit may be referred to jointly as "Parties."

Recitals

1. The State and Governmental Unit have a Joint Powers Agreement executed September 16, 2022, identified as SWIFT Contract No. 218794 ("Original Agreement"), for the Governmental Unit's provision of a Hazardous Materials Response Team ("Team") to provide Incident Command technical expertise in hazard identification and emergency response in a preidentified geographic area.
2. The State wishes to amend the Parties' duties in light of operational updates and payment terms, in anticipation of continued services contemplated by the Agreement.
3. The State and Governmental Unit are willing to amend the Original Agreement as stated below.

Joint Powers Agreement Amendment

In this Amendment, changes to pre-existing Agreement language will use ~~strike through~~ for deletions and underlining for insertions.

REVISION 1. Clause 2, "**Agreement between the Parties**," is amended as follows:

~~2.~~ **Agreement between the Parties**

The Governmental Unit will:

- (a) ~~Respond to hazardous material incidents occurring in the Governmental Unit's normal geographic area (see Appendix C), and, when requested by the State, the Governmental Unit's primary response area (see Appendix A) and secondary response area (Appendix B).~~
- (b) ~~Respond to any response area in the State of Minnesota (see Appendix B) when directed to do so by the Commissioner (Minnesota Rules Chapter 7514.0900, subpart 1).~~
- (c) ~~Coordinate on-scene emergency response operations of the Team with local, state and federal agencies, Indian tribes, and private response organizations through the Minnesota Incident Management System (Minnesota Rules Chapter 7514.1800, subpart 1).~~
- (d) ~~Ensure Team members are in compliance with the initial, continuing education, and team training requirements (Minnesota Rules Chapter 7514.0600, subparts 1 to 4); and annually certify such compliance to the Commissioner (Minnesota Rules Chapter 7514.0600, subpart 6).~~
- (e) ~~Ensure Team members are in compliance with medical requirements (Minnesota Rules Chapter 7514.0600, subpart 7); and annually certify such compliance to the Commissioner (Minnesota Rules Chapter 7514.0600, subpart 7).~~
- (f) ~~Deploy Team personnel and equipment to hazardous materials incident(s) within fifteen (15) minutes from the time a decision is made to dispatch the Team (Minnesota Rules, Chapter~~

- ~~7514.0500). For purposes of this clause, the decision to dispatch the Team will be considered made at the time the Governmental Unit's point of contact as identified in *Appendix D* is notified by the State.~~
- ~~(g) Ensure compliance with all other employer requirements established in *Minnesota Rules Chapter 7514.0600*.~~
 - ~~(h) Conduct a formal evaluation of the hazardous materials emergency response to an incident within thirty (30) days after termination of the Team's response (*Minnesota Rules Chapter 7514.1300*).~~
 - ~~(i) Submit a detailed report of the Team's response to an incident as required by *Minnesota Rules Chapter 7514.0900, subpart 7*; and as required by *Minnesota Rules, Chapter 7514.1700, subparts 1 and 3*; and take appropriate measures to identify to the State the responsible person of each incident, including responsible person's social security number or federal tax identification number.~~
 - ~~(j) Designate one (1) primary and one (1) alternate representative to the State's Hazardous Materials Emergency Response Team Program Advisory Committee (*see Appendix F*); require one or both representatives to attend all meetings convened by the Committee; and empower each representative to make recommendations to the Committee on behalf of the Governmental Unit.~~
 - ~~(k) Designate one (1) primary and one (1) alternate representative (*see Appendix F*) and require each representative to train in applying operating guidelines and other administrative procedures established and identified by the State's Hazardous Materials Emergency Response Team Program (*Minnesota Rules Chapter 7514.0700, subpart 2*); and require one or both representatives to instruct other Team members.~~
 - ~~(l) Maintain and store emergency response vehicle(s) and equipment, whether loaned to the Governmental Unit by the State or owned by the Governmental Unit, in proper working order and ready for response at all times, except as may be necessary for the performance of routine or necessary maintenance, repairs, or replacement. Governmental Unit must immediately notify the State whenever Governmental Unit is not available for emergency response as a result of such circumstances.~~
 - ~~(m) Submit claims for recoverable costs to the Commissioner as required by *Minnesota Rules Chapter 7514.1700, subparts 1 and 3*; and take all appropriate measures to identify to the State the responsible person of each incident, including responsible person's social security number or federal tax identification number.~~
 - ~~(n) Maintain the required composition of an Hazardous Materials Emergency Response Team, including the availability for immediate response of nine (9) members minimum certified to the levels of hazardous materials technician response and training. The State recommends maintaining a level of twelve (12) members for immediate response; and the Governmental Unit agrees to obtain approval from the State's Authorized Representative or his designee prior to deploying more than twelve (12) team members to an incident.~~
 - ~~(o) Respond to incidents and assist local authorities at the scene of a hazardous materials incidents by providing reasonable mitigation; and recommend to the local incident manager the best means of controlling the hazard after consideration of life safety concerns, environmental effects, exposure hazards, quantity and type of hazardous material, availability of resources, or other relevant factors.~~

The Governmental Unit shall not subcontract any work, duties or tasks pursuant to this Agreement.

2. Agreement between the Parties

The Governmental Unit will:

- (a) Respond to hazardous material incidents occurring in the Governmental Unit's normal geographic response area (*see Appendix C*), and, when requested by the State, the team's primary response area (*see Appendix A*) and secondary response area (*Appendix B*)**
- (b) Respond to any response area in the State of Minnesota when directed to do so by the Commissioner of Public Safety or their designee.**
- (c) Coordinate on-scene emergency response operations of the teams with local, state and federal agencies, Indian tribes, and private response organizations through the National Incident Management System.**
- (d) Ensure team members are in compliance with the initial, continuing education, and team training requirements; and annually certify such compliance to the Commissioner.**

- (e) Designate at least two (2) participants/team representatives to the annual HMRT joint training conducted at the Joint Emergency Response Training Center (JERTC) or other predetermined training location.
- (f) Ensure completion of position task books for all team members at least every 36 months, to be reviewed and validated by the State or its designee.
- (g) Participate in an annual skills competency verification performed by the State or its designee.
- (h) Participate in periodic response readiness verification performed by the State or its designee.
- (i) Ensure team members are in compliance with medical requirements and annually certify such compliance to the Commissioner.
- (j) Deploy 8-12 team personnel and accompanying equipment to a hazardous materials incident within fifteen (15) minutes or less, from the time a decision is made to dispatch the team, on 90 percent of the incidents to which the team is dispatched. For the purposes of this clause, the decision to dispatch the team will be considered made at the time the Governmental Unit's point of contact as identified in Appendix D, which is attached and incorporated into this Agreement, is notified by the State.
- (k) Participate in annual site visits performed by the State or its designee, during which the State or its designee will review team records and assess the condition of emergency response vehicle(s) and equipment loaned to the Governmental Unit by the State.
- (l) Conduct a formal evaluation of the Hazardous Materials Emergency Response to an incident within thirty (30) days after termination of the team's response.
- (m) Submit a detailed report of the team's response to an incident and take appropriate measures to identify to the State the responsible person of each incident, including responsible person's social security number or federal tax identification number.
- (n) Designate one (1) primary and one (1) alternate representative to the State's Hazardous Materials Emergency Response Team Technical Advisory Committee (Appendix F); require one or both representatives to attend all meetings convened by the Committee; and empower each representative to make recommendations to the Committee on behalf of the Governmental Unit.
- (o) Designate one (1) primary and one (1) alternate representative (Appendix F) and require each representative to train in applying operating guidelines and other administrative procedures established and identified by the State's Hazardous Materials Emergency Response Team Program and require one or both representatives to instruct other Hazmat Team members.
- (p) Maintain and store emergency response vehicle(s) and equipment, whether loaned to the Governmental Unit by the State or owned by the Governmental Unit, in proper working order and ready for response at all times, except as may be necessary for the performance of routine or necessary maintenance, repairs, or replacement. Governmental Unit must immediately notify the State whenever Governmental Unit is not available for emergency response as a result of such circumstances. The Governmental Unit shall provide adequate insurance coverage as required by applicable State law.
- (q) Ensure periodic inspection and preventative maintenance is performed on emergency response vehicle(s) that is in accordance with NFPA 1911 or a comparable standard.
- (r) Submit claims for recoverable costs to the Commissioner and take all appropriate measures to identify to the State the responsible person of each incident, including responsible person's social security number or federal tax identification number.
- (s) Maintain the required composition of a Type 1 Hazardous Materials Response Team in accordance with Appendix G, including an emergency response availability of eight (8) members certified and trained to the appropriate minimum level.
- (t) Respond to incidents and assist local authorities at the scene of a hazardous materials incidents by providing reasonable mitigation consistent with the capabilities of a Type 1 HMRT; and recommend to the local incident manager the best means of controlling the hazard after consideration of life safety concerns, environmental effects, exposure hazards, quantity and type of hazardous material, availability of resources, or other relevant factors.
- (u) Assist statewide local authorities by providing telephonic and/or virtual technical advice to on-scene incident commanders, recommending the best means of controlling the hazard to protect life, property, and the environment that are in keeping with locally available levels of hazardous materials training and response capability.

The Governmental Unit shall not subcontract any work, duties or tasks pursuant to this Agreement.

REVISION 2. Clause 3, “**Payment**,” is amended as follows:

3. ~~Payment~~

~~3.1 **Consideration.** The State will pay for all services performed by the Governmental Unit under this Agreement as follows:~~

~~(a) **Compensation.** The State will pay the Governmental Unit up to but not exceeding **Two Hundred Sixty Thousand and 00/100 Dollars (\$260,000.00)** for expenses incurred during each twelve-month period commencing July 1 and ending June 30 for the following costs:~~

- ~~1) Capital equipment—Cost of capital equipment including vehicles.~~
- ~~2) Training—Cost of training team personnel (excluding exercise training).~~
- ~~3) Medical examinations—Cost of annual medical examinations for team personnel.~~
- ~~4) Consumable supplies—Cost of consumable supplies.~~
- ~~5) Administration—Cost of program administration.~~
- ~~6) Maintenance—Cost of equipment maintenance.~~

~~(b) Governmental Unit may deviate from its budget corresponding to the six categories identified in Clause 3.1(a), increasing and decreasing amounts between categories as needed with the exception of Category 5, Administration. The State and Governmental Unit mutually agree Administration costs shall not be increased more than 20% without prior written approval from the State’s Authorized Representative.~~

~~(c) **Total Obligation.** The total obligation of the State for all compensation to the Governmental Unit corresponding to Clause 3.1(a) shall not exceed **One Million Three Hundred Thousand and 00/100 Dollars (\$1,300,000.00).**~~

~~(d) **Emergency Response Reimbursement.** In addition to the Compensation identified in Clause 3.1(a) and Clause 3.1(c), the State will reimburse the Governmental Unit for reasonable and necessary expenses corresponding to and directly associated with the following costs incurred during an actual emergency response. Reimbursement costs corresponding to this section shall not exceed **Five Thousand and 00/100 Dollars (\$5,000.00)** for any single response unless authorized by the State’s Authorized Representative.~~

~~1) **Hazmat Team Personnel Costs**~~

~~An hourly rate per person, including wages and fringe benefits, for four (4) hours minimum per person, up to nine (9) persons [Note: See Clause 2(n) above]. Hourly rates will be determined by and in accordance with the Governmental Unit’s collective bargaining agreement(s) corresponding to personnel.~~

~~2) **Additional Wage Costs for Local Callback Personnel**~~

~~An hourly rate per person, including wages and fringe benefits, for four (4) hours minimum per person, up to nine (9) persons for a hazmat team. Hourly rates will be determined by and in accordance with the Governmental Unit’s collective bargaining agreement(s) corresponding to personnel.~~

~~3) **Vehicle Operating Costs**~~

- ~~a) Hazardous Materials Response Teams shall be reimbursed up to \$150.00 per hour for operational costs associated with the State supplied Hazardous Materials Emergency Response apparatus.~~
- ~~b) Hazardous Materials Response Teams shall be reimbursed up to \$100.00 per hour for a hazmat support vehicle.~~
- ~~c) Any additional Hazardous Materials Response Team support apparatus shall be reimbursed up to \$100.00 per hour (must be approved prior to use by state fire marshal State Teams Coordinator or Supervisor).~~

~~4) **Cost of Consumable Supplies Used**~~

~~Cost for consumable supplies used shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.~~

- 5) ~~**Costs of Repair or Replacement of Damaged or Destroyed Equipment**~~
Governmental Unit must submit an itemized invoice for actual costs incurred. If cost is estimated to exceed \$500.00, Governmental Unit shall consult with the State's Authorized Representative to determine if the State will require competitive bids or quotes prior to the repair or replacement of equipment. If the State requires a competitive solicitation, Governmental Unit must comply with the applicable municipal bidding laws.
- 6) ~~**Communication Costs, including Long Distance and Cellular Telephone Charges**~~
Eligible costs are defined as cellular/mobile and land line telephone costs for voice, data, and facsimile transmissions. Governmental Unit must submit an itemized invoice for actual costs incurred.
- 7) ~~**Administrative Costs Directly Resulting from the Emergency Response**~~
Up to \$500.00 per incident based on actual costs incurred. Governmental Unit may request additional administrative cost reimbursement based on an itemized invoice for actual costs incurred when extraordinary circumstances resulting from a specific State authorized emergency response are documented.
- 8) ~~**Costs Incurred in the Use of Special Equipment (Minnesota Rules Chapter 7514.1200)**~~
Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.
- 9) ~~**Costs Associated with Providing Support to Cleanup Operations (Minnesota Rules Chapter 7514.0900, subpart 5)**~~
Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.
- 10) ~~**Costs Associated with Providing Standby Technical Assistance (Minnesota Rules Chapter 7514.1600, subpart 4)**~~
Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.
- 11) ~~**Other Direct Costs Incurred by the Governmental Unit as a Result of the Emergency Response**~~
Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.

3.2 — Payment.

- (a) ~~**Invoices.**~~ The State will promptly pay the Governmental Unit after the Governmental Unit presents an itemized invoice for the services actually performed and the State's Authorized Representative accepts the invoiced services. Invoices must be submitted timely and according to the following schedule:
 - 1) ~~**Governmental Unit Compensation [Clauses 3.1(a) and 3.1(b)].**~~ Governmental Unit shall submit a completed Governmental Unit Compensation Packet at least once every three months but not more frequently than once per month for reimbursement of costs identified in Clauses 3.1(a) and 3.1(b). Governmental Unit shall submit a final invoice, complete with receipts and justifying information, for each twelve-month period of this Agreement no later than July 31 of each year. The State will process properly completed Reimbursement Packets for compensation within thirty (30) days of receipt.
 - 2) ~~**Emergency Response Reimbursement [Clause 3.1(d)].**~~ Governmental Unit shall submit a reimbursement claim form identifying reasonable and necessary expenses incurred during an actual emergency response, such claim form to be submitted to State no later than forty-five (45) days after the end of the response. The claim for reimbursement must be made on forms provided by the State and

~~must provide sufficient detail corresponding to each category identified in Clause 3.1(d).
The State will process properly completed claim forms for reimbursement within thirty (30) days of receipt.~~

3. Payment

3.1 Consideration. The State will pay for all services performed by the Governmental Unit under this Agreement as follows:

- (a) Compensation.** The Governmental Unit will be paid by the State for the following costs, up to but not exceeding **Three Hundred Sixty Thousand and 00/100 Dollars (\$360,000.00)** during each twelve-month period, i.e. July 1 through June 30, of the Agreement:
 - 1) Capital equipment – Cost of capital equipment including vehicles.**
 - 2) Training – Cost of training team personnel (excluding exercise training).**
 - 3) Medical examinations – Cost of annual medical examinations for team personnel.**
 - 4) Consumable supplies – Cost of consumable supplies.**
 - 5) Administration – Cost of program administration.**
 - 6) Maintenance – Cost of equipment maintenance.**
- (b) Governmental Unit may deviate from its budget corresponding to the six categories identified in Clause 3, Section 3.1(a), of this Agreement, increasing and decreasing amounts between categories as needed and justified with the exception of Category 5, Administration. Administrative costs shall not exceed 20% of the base allocation amount without prior written approval from the State’s Authorized Representative.**
- (c) Total Obligation.** The total obligation of the State for all compensation to the Governmental Unit corresponding to Clause 3, Section 3.1(a) of this Agreement shall not exceed \$360,000.00 for each twelve-month period commencing July 1 and ending June 30, a total of \$1,800,000.00 during the Term of Agreement. Funds encumbered for each state fiscal year corresponding to, “Term of Agreement,” and which are not paid by the State to the Governmental Unit, will not be carried forward to the subsequent state fiscal year, i.e., cancelled.
- (d) Emergency Response Reimbursement.** In addition to the Compensation identified in Clause 3, Section 3.1(a) above, the State will reimburse Governmental Unit for reasonable and necessary expenses corresponding to and directly associated with the following costs incurred during an actual emergency response. Reimbursement costs corresponding to this section shall not exceed **Five Thousand and 00/100 Dollars (\$5,000.00)** for any single response unless authorized by the State’s Authorized Representative.
 - 1) Type 1 HMRT Personnel Costs** An hourly rate per person, including wages and fringe benefits, for two (2) hours minimum per person, up to twelve (12)-persons [Note: See Clause 2(s) above]. Hourly rates will be determined by and in accordance with the Governmental Unit’s collective bargaining agreement(s) corresponding to personnel providing services under this Agreement.
 - 2) Additional Wage Costs for Local Callback Personnel**
An hourly rate per person, including wages and fringe benefits, for two (2) hours minimum per person, up to twelve (12) persons for Type 1 hazmat team. Hourly rates will be determined by and in accordance with the Governmental Unit’s collective bargaining agreement(s) corresponding to personnel providing services under this Agreement.
 - 3) Vehicle Operating Costs**
Up to \$150.00 per hour for operation costs associated with the State supplied Hazardous Materials Emergency Response vehicle, up to \$100.00 per hour for a hazmat support vehicle; any additional support vehicles will be reimbursed up to \$100.00 per hour (must be

approved prior to use by the State's Authorized Representative).

4) Cost of Consumable Supplies Used

Cost for consumable supplies used shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.

5) Costs of Repair or Replacement of Damaged or Destroyed Equipment

Governmental Unit must submit an itemized invoice for actual costs incurred.

6) Communication Costs, including Long Distance and Cellular Telephone Charges

Eligible costs are defined as cellular/mobile and land line telephone costs for voice, data, and facsimile transmissions. Governmental Unit must submit an itemized invoice for actual costs incurred.

7) Administrative Costs Directly Resulting from the Emergency Response

Up to \$500.00 per incident based on actual costs incurred. Governmental Unit may request additional administrative cost reimbursement based on an itemized invoice for actual costs incurred when extraordinary circumstances resulting from a specific State authorized emergency response are documented.

8) Costs Incurred in the Use of Special Equipment

Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.

9) Costs Associated with Providing Support to Cleanup Operations

Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.

10) Costs Associated with Providing Standby Technical Assistance

Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.

11) Other Direct Costs Incurred by the Governmental Unit as a Result of the Emergency Response

Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.

12) Contracting and Bidding Requirements

Pursuant to Minn. Stat. § 471.345, the Governmental Unit must comply with applicable uniform municipal contracting law.

(a) For projects that include construction work of \$25,000 or more, prevailing wage rules apply per Minn. Stat. §§ 177.41 through 177.44. These rules require that the wages of laborers and workers should be comparable to wages paid for similar work in the community as a whole.

(b) The Governmental Unit must not contract with vendors who are suspended or debarred in MN: <https://mn.gov/admin/osp/government/suspended-debarred/>

3.2 Payment.

(a) Invoices. The State will promptly pay the Governmental Unit after the Governmental Unit presents an itemized invoice for the services actually performed and the State's Authorized Representative or designee accepts the invoiced services. Invoices must be submitted timely and according to the following schedule:

1) Governmental Unit Compensation [Clause 3, Sections 3.1(a) and (b)]. Governmental Unit shall submit a completed Governmental Unit Compensation Packet at least once every three months but not more frequently than once per month for reimbursement of costs identified in Clause 3, Section 3.1(a) and Section 3.1(b) of this Agreement. Governmental Unit shall submit a final invoice, complete with receipts and justifying information, for each twelve-month period of this Agreement no later than July 31 of each year. The State will process

properly completed Reimbursement Packets for compensation within thirty (30) days of receipt.

- 2) Emergency Response Reimbursement [Clause 3, Section 3.1(d)].** Governmental Unit shall submit a reimbursement claim form identifying reasonable and necessary expenses incurred during an actual emergency response, such claim form to be submitted to State no later than forty-five (45) days after the end of the response. The claim for reimbursement must be made on forms provided by the State and must provide sufficient detail corresponding to each category identified in Clause 3, Section 3.1(d) above. The State will process properly completed claim forms for reimbursement within thirty (30) days of receipt.

REVISION 3. Clause 4, “**Authorized Representatives**,” is amended as follows:

4. Authorized Representatives

The State's Authorized Representative is the person below, or his successor. The State's Authorized Representative, including his designees identified in *Appendix E*, has the responsibility to monitor the Governmental Unit's performance and the authority to accept the services provided under this Agreement. If the services are satisfactory, the State's Authorized Representative or his designee will certify acceptance on each invoice submitted for payment.

STATE FIRE MARSHAL

HAZARDOUS MATERIALS EMERGENCY RESPONSE TEAM TYPING MATRIX

COMPONENT	TYPE 1	NOTES
MINIMUM PERSONNEL PER TEAM	8	Not Specified
MANAGEMENT AND OVERSIGHT PERSONNEL PER TEAM	1 - National Incident Management System (NIMS) Hazardous Materials Technician	This NIMS Hazardous Materials Technician functions as team leader.
SUPPORT PERSONNEL PER TEAM	7 - NIMS Hazardous Materials Technician	Team members function in the following roles, as necessary: 1. Hazardous Materials Technician 2. Assistant Safety Officer - Hazardous Materials 3. Hazardous Materials Technical Reference Specialist
CAPABILITY PER TEAM	All hazards, including WMD	
FIELD PRESUMPTIVE TESTING AND PUBLIC SAFETY SCREENING CAPABILITIES PER TEAM	Capable of presumptive testing, identification, and classification of known chemical substances using a variety of sources to identify associated chemical and physical properties, PLUS: Identification and classification of unknown substances using a variety of advanced chemical and radiological detection devices PLUS: Responds to unknown or suspected WMD materials and substances using specialized detection equipment	Tools include printed and electronic reference resources, safety data sheets, field testing kits, specific chemical testing kits, chemical testing strips, data derived from detection devices, and air monitoring instruments.
ATMOSPHERIC AIR MONITORING CAPABILITIES PER TEAM	Ability to use devices to detect the presence of known gases or vapors, including the ability to monitor for oxygen deficiency percentage, flammable atmosphere LEL, CO, H ₂ S, PLUS: Ability to use advanced detection equipment to detect the presence of known or unknown gases or vapors; PLUS: Advanced detection and monitoring capabilities, including ability to use WMD detection instruments	Not Specified
SAMPLING CAPABILITIES PER TEAM	Ability to perform the following activities with known toxic industrial chemicals or toxic industrial materials, according to established protocols: standard sampling, collection, containerizing, labeling, and preparation for transportation and distribution, including standard environmental sampling procedures for lab analysis 1. Ability to sample, collect, containerize, label, and prepare to transport unknown	Not Specified

	toxic industrial chemicals or toxic industrial materials—both liquid and solid—in accordance with standard collection and chain of custody protocols Ability to collect, handle, and track samples to be used as evidence Ability to use special resources that may be required for collecting air samples and handling biological materials	
--	---	--

COMPONENT	TYPE 1	NOTES
SUBSTANCE DETECTION AND MONITORING EQUIPMENT PER TEAM	1. Tools for testing chemical substances to identify chemical and physical properties, including: 2. Basic testing equipment and supplies, such as chemical testing kits and testing strips 3. Direct-reading instruments, such as multi-gas meters to include O2, LEL, H2S, and CO sensing capabilities, at minimum 4. Photoionization detector (PID), with parts-per-million (ppm) sensitivity, at minimum 5. Radiological detection instruments, such as beta and gamma radiation detection and survey monitors 6. Printed and electronic reference resources 7. Safety data sheets 8. Personal dosimeter (for each team member) 9. Intermediate testing equipment, such as Fourier transform infrared (FTIR) spectroscopy or Raman spectroscopy devices 10. Intermediate volatile organic compound (VOC) instrument, with parts- per-billion (ppb) sensitivity, at minimum 11. Intermediate radiological detection instruments, such as alpha radiation detection monitors with survey capabilities 12. Advanced testing instruments, such as gas chromatography and mass spectrometry devices 13. Advanced direct-reading instruments for perimeter air monitoring, such as surface acoustic wave (SAW) or nanotechnology devices 14. Advanced radiological detection instruments, such as x-ray and neutron detection monitors and isotope identification instruments	Not Specified
RADIATION DETECTION AND MONITORING CAPABILITIES PER TEAM	1. Ability to accurately interpret readings from beta and gamma radiation detection devices 2. Ability to conduct a geographical survey search for suspected radiological sources or contamination spread 3. Ability to detect and survey for alpha, beta, and gamma radiation 4. Ability to identify and establish exclusion zones 5. Ability to identify some but not all radionuclides, including neutron detection 6. Ability to conduct environmental and personnel surveys 7. Possession of accumulative self- reading dosimetry (for each survey team member)	Not Specified

COMPONENT	TYPE 1	NOTES
PERSONAL PROTECTIVE EQUIPMENT (PPE) PER TEAM MEMBER	- Complete CPC ensembles, including: - Suit (encapsulating or non-encapsulating jumpsuit, multipiece; specifications depend on level of protection required) - Boots - Gloves - Liquid splash protection - Self-contained breathing apparatus (SCBA) or other respiratory protection, as appropriate PLUS: - Vapor-protective chemical protective clothing (CPC) - WMD-compliant CPC	Liquid splash protection must comply with NFPA 1992 standards. Vapor-protective CPC and flash-fire vapor-protective CPC must comply with NFPA 1991. Protective ensembles for first responders to WMD terrorism incidents must comply with NFPA 1994. Respiratory protection, including SCBA or air purifying respirator (APR), complies with Occupational Safety and Health Administration (OSHA) 29 Code of Federal Regulations (CFR) Part 1910.120: Hazardous Waste Operations and Emergency Response, and Part 1910.134: Respiratory Protection.
TECHNICAL REFERENCE CAPABILITIES PER TEAM	- Ability to access and use various databases, chemical substance data repositories, other guidelines and safety data sheets (print or electronic), standalone computer programs, and data available via telecommunications - Ability to interpret data collected from electronic devices and chemical testing procedures and select a response option - At minimum, access to technical references or outsourced reach-back capabilities and at least one source of air modeling with map overlay capabilities - Access to WMD references, databases, or reach-back assistance	Not Specified

Costs for this item shall not exceed the actual costs incurred; and Governmental Unit must submit an itemized invoice for actual costs to be reimbursed.

3.2 Payment.

- (a) **Invoices.** The State will promptly pay the Governmental Unit after the Governmental Unit presents an itemized invoice for the services actually performed and the State's Authorized Representative accepts the invoiced services. Invoices must be submitted timely and according to the following schedule:
 - 1) **Governmental Unit Compensation [Clauses 3.1(a) and 3.1(b)].** Governmental Unit shall submit a completed Governmental Unit Compensation Packet at least once every three months but not more frequently than once per month for reimbursement of costs identified in Clauses 3.1(a) and 3.1(b). Governmental Unit shall submit a final invoice, complete with receipts and justifying information, for each twelve-month period of this Agreement no later than July 31 of each year. The State will process properly completed Reimbursement Packets for compensation within thirty (30) days of receipt.
 - 2) **Emergency Response Reimbursement [Clause 3.1(d)].** Governmental Unit shall submit a reimbursement claim form identifying reasonable and necessary expenses incurred during an actual emergency response, such claim form to be submitted to State no later than forty-five (45) days after the end of the response. The claim for reimbursement must be made on forms provided by the State and

must provide sufficient detail corresponding to each category identified in Clause 3.1(d). The State will process properly completed claim forms for reimbursement within thirty (30) days of receipt.

4. **Authorized Representatives**

The State's Authorized Representative is the person below, or his successor. The State's Authorized Representative, including his designees identified in *Appendix E*, has the responsibility to monitor the Governmental Unit's performance and the authority to accept the services provided under this Agreement. If the services are satisfactory, the State's Authorized Representative or his designee will certify acceptance on each invoice submitted for payment.

5. **Assignment, Amendments, Waiver, and Contract Complete**

- 5.1 **Assignment.** The Governmental Unit may neither assign nor transfer any rights or obligations under this Agreement without the prior consent of the State and a fully executed assignment agreement, executed and approved by the authorized parties or their successors.
- 5.2 **Amendments.** Any amendment to this Agreement must be in writing and will not be effective until it has been executed and approved by the authorized parties or their successors.
- 5.3 **Waiver.** If the State fails to enforce any provision of this Agreement, that failure does not waive the provision or its right to enforce it.
- 5.4 **Agreement Complete.** This Agreement contains all negotiations and agreements between the State and the Governmental Unit. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6. **Liability**

Each party will be responsible for its own acts and behavior and the results thereof and shall not be responsible or liable for the other party's actions and consequences of those actions. The Minnesota Torts Claims Act, Minn. Stat. § 3.736 and other applicable laws govern the State's liability. The Minnesota Municipal Tort Claims Act, Minn. Stat. Ch. 466 and other applicable laws, governs the Governmental Unit's liability.

7. State Audits

Under Minn. Stat. § 16C.05, subd. 5, the Governmental Unit's books, records, documents, and accounting procedures and practices relevant to this Agreement are subject to examination by the State, the State Auditor, or Legislative Auditor, as appropriate, for a minimum of six years from the expiration or termination of this Agreement.

8. Government Data Practices

The Governmental Unit and State must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, as it applies to all data provided by the State under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Governmental Unit under this Contract. The civil remedies of Minn. Stat. § 13.08 apply to the release of the data governed by the Minnesota Government Practices Act, Minn. Stat. Ch. 13, by either the Governmental Unit or the State.

If the Governmental Unit receives a request to release the data referred to in this clause, the Governmental Unit must immediately notify and consult with the State's Authorized Representative as to how the Governmental Unit should respond to the request. The Governmental Unit's response to the request shall comply with applicable law.

9. Venue

Venue for all legal proceedings out of this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

10. Termination

10.1 Termination. The State or the Governmental Unit may terminate this agreement at any time, with or without cause, upon 30 days' written notice to the other party.

10.2 Termination for Insufficient Funding. The State may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written or fax notice to the Governmental Unit. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Governmental Unit will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Governmental Unit notice of the lack of funding within a reasonable time of the State's receiving that notice.

11. E-Verify Certification (in accordance with Minn. Stat. § 16C.075)

For services valued in excess of \$50,000, the Governmental Unit certifies that as of the date of services performed on behalf of the State, Governmental Unit and all its subcontractors will have implemented or be in the process of implementing the federal E-Verify Program for all newly hired employees in the United States who will perform work on behalf of the State. The Governmental Unit is responsible for collecting all subcontractor certifications and may do so utilizing the E-Verify Subcontractor Certification Form available at <http://www.mmd.admin.state.mn.us/doc/EveryfySubCertForm.doc>. All subcontractor certifications must be kept on file with Contractor and made available to the State upon request.

12. Counterparts

The Parties may sign this Agreement in counterparts, each of which constitutes an original, but all of which together constitute one instrument.

13. Electronic Signatures

The parties agree that the electronic signature of a party to this Agreement shall be valid as an original signature of such party and shall be effective to bind such party to this Agreement. The parties further agree that any document (including this Agreement and any attachments or exhibits to this Agreement) containing, or to which there is affixed, an electronic signature shall be deemed (i) to be "written" or "in writing," (ii) to have been signed and (iii) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. For purposes hereof, "electronic signature" also means a manually signed original signature that is then transmitted by any electronic means, including without limitation a faxed version of an original signature or an electronically scanned and transmitted version (e.g., via PDF) of an original signature. Any party's failure to produce the original signature of any electronically transmitted signature shall not affect the enforceability of this Agreement.

 Estimated Contract Value
(including extension options):

 Source of Funds
(indicate whether State or Federal):

\$5,000,000.00 (total of all JPAs)
\$5,000,000.00 (total of all JPAs)
State

***Original Contract Period: From: July 1, 2022, to June 30, 2027, with zero options to extend.**

***Note:** The combined contract and amendment cannot exceed five years, unless otherwise provided for by law (Minn. Stat. 16C.06 Subd. 3b(b)). Also, the term of the original contract must not exceed two years unless the commissioner determines that a longer duration is in the best interest of the state. If you are requesting that the original contract length be longer than two years, please write a justification below:

Minnesota Rules requires DPS to provide for Hazardous Materials Emergency Response efforts (HAZMAT). The only providers approved by the Commissioner of DPS are local law enforcement agencies. DPS is requesting authorization to execute five-year agreements to succeed those expiring June 30, 2022, and September 30, 2022.

Agency certifies that Minn. Stat. §471.59 allows agency to enter into this professional/technical service contract. (Please check with agency attorney general staff if you have questions.)

Nature of Contract: Provide Hazardous Materials Emergency Response services as a component of the Hazardous Materials Response Team Program. The program is composed of multiple Hazardous Materials Emergency Response Teams.

Hazardous Materials Emergency Response Teams assist local authorities by taking actions necessary to protect life, property and the environment from the effects of a release of a hazardous material. Emergency actions include, but are not limited to, preventing the release, mitigating the effects of the release and stabilizing the situation. (See Minnesota Rules, Chapter 7514.0900, subpart 2, and Minnesota Rules, Chapter 7514.0500, subpart 5.)

Hazardous Materials Emergency Response Teams assist local authorities by providing technical advice to local incident commanders, and recommending mitigation actions necessary to protect life, property and the environment that are in keeping with locally available levels of hazardous materials training and response capability. (See Minnesota Rules, Chapter 7514.0900, subparts 3 and 4.)

It is anticipated by the State Fire Marshal will execute up to eleven (11) Hazardous Materials Response Team Joint Powers Agreements.

Product or Result:

Statement of Purpose

The purpose of the Hazardous Materials Response Team Program is to establish an efficient and cost effective system which will provide support and assistance to local authorities responding to a hazardous materials incidents occurring within designated geographic locations identified by the State Fire Marshal.

Anticipated Results of the Program

As a result of the implementation of this program, the ability of the State to provide an effective public safety response to hazardous materials incidents at the request of local authorities will be enhanced. In doing, the public's safety from the effects of a hazardous materials incident will be increased, and the harmful impact of a hazardous materials release on property and the environment will be reduced.

In accordance with Minn. Stat. §16C.08, subd. 3, provide the following: (attach additional pages if necessary)

- 1) Describe how the proposed contract is necessary to achieve the agency's statutory responsibilities;

Minnesota Hazardous Materials Incident Response Act (Minnesota Statutes, chapter 299A.48 to 299A.52). The law requires the Commissioner of Public Safety to establish a hazardous materials incident response plan and system in administrative rules (Minnesota Rules, chapter 7514). Contracts written from this JPA will provide hazardous materials incidents assistance to local authorities throughout the state.

- 2) Describe your plan to notify firms or individuals who may be available to perform the services called for in the solicitation other than advertising in the State Register, on the OSP website, or in SWIFT.

No solicitation is planned. JPAs will be executed with the local law enforcement agencies approved by the Commissioner of Public Safety.

- 3) Describe the performance measures or other tools that will be used to monitor and evaluate contract performance and how the results of the work will be used.

Annual Report

The employer (Minnesota Rules, chapter 7514.0100, subpart 7) of each Hazardous Materials Emergency Response Team shall annually certify to the Commissioner that team members have received training that meets the requirements of Minnesota Rules, chapter 7514.0600, subparts 1 to 4. In addition, the employer of each Hazardous Materials Emergency Response Team shall annually certify to the Commissioner that team members met the medical requirements of Code of Federal Regulations, title 29, section 1910.120.

Hazardous Materials Emergency Response Teams shall annually provide the Commissioner with a detailed inventory of all hazardous materials vehicles, equipment, and supplies owned by the state and loaned to the contractor, and owned by the contractor.

Incident Reports

Each Hazardous Materials Emergency Response Team shall submit to the Commissioner a detailed report of its response to an incident. The report must be prepared in a manner and form prescribed by the Commissioner and, at the minimum, must include (Minnesota Rules, chapter 7514.0900, subpart 7, items A to D):

- a) *A list of all equipment used and personnel who responded;*
- b) *A description of all emergency actions taken;*
- c) *A copy of the site safety plans developed during the response; and*
- d) *Completed cost recovery forms.*

Incident Response Evaluation Reports

Each Hazardous Materials Emergency Response Team shall conduct an evaluation of a response to an incident within 30 days after termination of the team's response. The team shall give all public and private agencies involved in the response the opportunity to participate in the evaluation. The team shall prepare a written report following completion of the evaluation, a copy of which must be provided to the Commissioner within 15 days of the date the evaluation is completed. (Minnesota Rules, chapter 7514.1300)

SECTION 3 – VENDOR SELECTION METHOD
